

PLANNING for a
LONG TERM CAREER

LONG TERM CARE THERAPY

Thank you for considering Valir Health as your possible career choice.

The accomplishments of our company have become a reality because of the dedication, leadership and heart of our employees. Valir's greatest blessing has been the ability to attract and retain high quality people. Each person working for Valir has been selected based on the same set of criteria. Each person must have a heart for patient care, desire to be a part of a team and always be looking for ways to improve and expand our company.

Valir Long Term Care Therapy is one of the leading providers of physical, occupational and speech therapy in skilled nursing and long term care environments. We offer compassionate and professional care in a variety of settings including nursing homes and assisted living centers.

Our goal is to provide the highest quality care to our patients in the facilities we serve. Long Term Care Therapy is a very challenging and rewarding experience. We provide you with competitive wages, great benefits and opportunities for advancement.

Some of the many benefits our employees and their families enjoy are:

- Health and Prescription Drug
- Dental
- Vision
- Short & Long Term Disability
- Life and AD&D
- Paid Time Off
- 401K

Valir Health is an Oklahoma based company with more than 500 employees. We provide services to approximately 100 facilities across several states and are always looking for talented professionals to join us in providing the best care available.

For more information please contact Staci Freudiger, PT, MBA,
Vice President of Long Term Care Therapy at 405.609.3600.
